

A CROSSROADS ADVENTURE

In the World of
STEVEN BRUST'S
MYSTERY

LIVE WITH IT!

By
STEVEN BRUST

JOHN THE ADVENTURER

The greatest adventures of the last fifty years have, until now, been told only in books. Now, for the first time, you can see them on the screen. The adventures of John the Adventurer who saves the black and gold of Mount Shasta...and whose glory is lost almost by trick. "Perhaps we should discuss this as a gallery," Neil says softly. "I'm sure you'd tell more at home."
